(c) The Government of India organizes Investment Promotion events in these countries and also attends to inward delegations of investors coming from these countries. An investment portal is also maintained. The current FDI policy allows investment through automatic route in all areas other than a small list of negative areas.

Legalising the betting

*331. SHRI MAHENDRA MOHAN: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government intend to make betting legal in the country, in view of the huge sums of money involved in it;

(b) if so, the views of Government in this regard; and

(c) if not, how the betting in the country is going to be tackled?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MANIKRAO GAVIT): (a) to (c) As per Entry 34 of the State List of the Seventh Schedule to the Constitution, betting and gambling are State subjects and therefore the State Governments are required to take policy

decisions in this regard. It is for the State Governments to tackle and control the problem of betting and gambling in their respective States according to the laws passed by the respective legislatures.

Media reports on performance of DRDO

*332. SHRI HARISH RAWAT:
SHRI SANTOSH BAGRODIA:

Will the Minister of DEFENCE be pleased to state:

(a) whether the Government have taken note of certain recent media reports on the performance of Defence Research and Development Organisation (DRDO);

(b) if so, whether Government share the assessment of such reports;

(c) whether Government consider that such report might undermine the overall achievements of DRDO in defence sector and influence the public perception;

(d) whether Government have ascertained the reasons for such one-sided media reporting; if so, the details thereof; and

(e) the steps taken by Government to correct the media and public perception on DRDO's achievements, without undermining the morale of DRDO scientists?

THE MINISTER OF DEFENCE (SHRI A.K. ANTONY): (a) to (c) The Government has taken note of the reports on the performance of DRDO published in a section of the media. The Government does not agree to the assertions made in the reports. However, some of the data referred in the media reports relate to the data already given to Standing Committee on Defence and Parliament. Such media reports undermine the overall achievements of DRDO and also influence the public perception to some extent.

DRDO has taken the route of sharing more on technolog front with the defence and science correspondents. The Secretary Defence R&D, and
